

Western Canadian Championships 2010

Bulletin 0510

This Bulletin covers

Rounds 5 and 6 Alberta July 30th – August 1st 2010

Change in Supplementary Regulations

Under the direction of ASN Canada FIA the following is to replace the text in Para 19

The testing / qualifying session and race program scheduled for Wed. July 28th under the race directorship of Rudy van woerkum will be for WRKA club DD2 members **“only”** in good standing and who have attended and raced a minimum of 4 races prior to the Wednesday event. This would also therefore qualify these racers to attend and race at the WCC Rotax and ASN Canada FIA Sanctioned Race Event. These members wishing to race in the WCC Event running from July 29th to August 31st will be excluded from the Thursday July 29th unofficial practice day but will be allowed to practice on the Friday official practice day if they so choose and enter the WCC / Rotax Race Weekend Event without fear of exclusion or expulsion from said event.

July 21st 2010
